#### 9. Adjourn

Executive sessions held during this meeting will generally take place in the City Manager's office, at the discretion of the City Council.

The City Council may retire to executive session any time between the meeting's opening and adjournment for the purpose of consultation with legal counsel pursuant to Chapter 551.071 of the Texas Government Code; discussion of personnel matters pursuant to Chapter 551.074 of the Texas Government Code; deliberation regarding real property pursuant to Chapter 551.072 of the Texas Government Code; deliberation regarding economic development negotiations pursuant to Chapter 551.087 of the Texas Government Code, and/or deliberation regarding the deployment, or specific occasions for implementation of security personnel or devices pursuant to Chapter 551.076 of the Texas Government Code. Action, if any, will be taken in open session.

This agenda has been reviewed and approved by the City's legal counsel and the presence of any subject in any Executive Session portion of the agenda constitutes a written interpretation of Texas Government Code Chapter 551 by legal counsel for the governmental body and constitutes an opinion by the attorney that the items discussed therein may be legally discussed in the closed portion of the meeting considering available opinions of a court of record and opinions of the Texas Attorney General known to the attorney. This provision has been added to this agenda with the intent to meet all elements necessary to satisfy Texas Government Code Chapter 551.144(c) and the meeting is conducted by all participants in reliance on this opinion.

Attendance by Other Elected or Appointed Officials:

It is anticipated that members of other city board, commissions and/or committees may attend the meeting in numbers that may constitute a quorum of the other city boards, commissions and/or committees. Notice is hereby given that the meeting, to the extent required by law, is also noticed as a meeting of the other boards, commissions and/or committees of the City, whose members may be in attendance. The members of the boards, commissions and/or committees may participate in discussions on the same items listed on the agenda, which occur at the meeting, but no action will be taken by such in attendance unless such item and action is specifically provided for on an agenda for that board, commission or committee subject to the Texas Open Meetings Act.

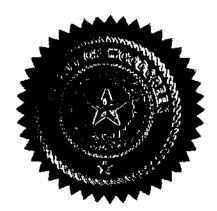

The City of Woodcreek is committed to compliance with the Americans with Disabilities Act. Reasonable modifications and equal access to communications will be provided upon request. Please call the City Secretary's Office at 512-847-9390 for information. Hearing-impaired or speech disabled persons equipped with telecommunications devices for the deaf may call 7-1-1 or may utilize the statewide Relay Texas program at 1-800-735-2988.

Pursuant to Section 30.07, Penal Code (trespass by license holder with an openly carried handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter this property with a handgun that is carried openly.

I certify that the above notice was posted on the 3rd day of January 2020 at 255 p.m.

#### AGENDA ITEM COVER SHEET

#### Subject/Title:

Discussion and Take Appropriate Action on the Approval of a Non-Exclusive Easement, to Wimberley Water Supply Corporation, for the Purpose of Constructing, Maintaining, Inspecting, Repairing, Servicing, and Operating a Water Line Upon, Over, Through and Across that Certain Strip of Land being Described as Follows: Being 1,096 square feet of land out of Lot 177 of the Replat and Extension of Woodcreek, Section Two (2), a subdivision recorded in Volume 1, Page 151, Plat Records of Hays County, Texas and which 1,096 square feet of land being more particularly described by metes and bounds.

#### **Item Summary:**

This item is to grant the Wimberley Water Supply Corporation an easement to interconnect with Aqua Texas. The interconnection is necessary to enable Wimberley Water Supply Corporation to provide maintenance on a part of their system. As a benefit for the citizens of Woodcreek, the interconnection would provide a means to have a source of water into the Aqua System if there was an occurrence that caused Aqua Texas to not be able to supply water. The interconnection would not guarantee the ability to maintain pressure.

That the City of Woodcreek, a Texas Municipal Corporation (hereinafter called "Grantor") for and in consideration of the sum of Ten Dollars (\$10.00) to Grantor in hand paid by Wimberley Water Supply Corporation, a Texas Water Supply Corporation, (hereinafter called "Grantee"), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, has GRANTED, SOLD and CONVEYED, and by these presents does GRANT, SELL and CONVEY unto Grantee a non-exclusive easement for the purpose of constructing, maintaining, inspecting, repairing, servicing, and operating a water line upon, over, through and across that certain strip of land being described as follows:

Being 1,096 square feet of land out of Lot 177 of the Replat and Extension of Woodcreek, Section Two (2), a subdivision recorded in Volume 1, Page 151, Plat Records of Hays County, Texas, and which 1,096 square feet of land being more particularly described by metes and bounds attached hereto as Exhibit "A" and made a part hereof for all legal and relevant purposes.

Grantee agrees that it will at all times, after doing any work pursuant to the rights hereby granted, restore the surface of the Easement to substantially the same condition as existed prior to such work including maintaining the original grade and hydro-mulching to revegetate the affected area; that it will bury all water supply lines and service lines (but not those surface appurtenances, including valve stems, signs, and other facilities as are reasonably necessary for operation of the water lines) located within the Easement so that such lines will not create a

nuisance; and that Grantee will not do any act, or fail to do any act, that will be detrimental or create hazard to the surface of the lands covered thereby or the use thereof.

TO HAVE AND TO HOLD the above described easement, together with all and singular the rights and appurtenances thereto in any wise belonging unto Grantee, and Grantee's successors and assigns forever; and Grantor does hereby bind Grantor and Grantor's heirs, executors, administrators, successors and assigns to WARRANT AND FOREVER DEFEND all and singular the said easement unto the said Grantee, and its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through and under Grantor, but not otherwise.

#### AGENDA ITEM COVER SHEET

#### Subject/Title:

Discussion and Take Appropriate Action on a Report on the Findings from the Direction of the Mayor for the City Manager to Review Dan Rogers Report Taking into Consideration a 3 Way Stop Sign at the North Intersection of Brookhollow Drive and Augusta Drive

#### **Item Summary:**

At the December 11<sup>th</sup>, 2019 Regular City Council Meeting, the Mayor was requested to direct the City Manager to review the Dan Rogers Report to determine if a three (3) way stop should be placed at the intersection of Brookhollow Drive and Augusta Drive.

The Transportation Improvement Plan prepared by Dan Rogers and submitted to the City Council on January 26, 2016 does not reference any traffic count data for Augusta Drive. The review did reveal an email from John Sone to Frank Wood and others that read in part:

Yesterday, the City Council accepted the attached report extract

 Based on the traffic counts locally to re-designate Brookhollow Drive, Brookmeadow Drive, and Champions Circle from "local" to "collector" status, joining Woodcreek Drive.

In researching the guidelines of placing stop signs at an intersection, staff referenced the State of Texas MUTCD, Manual of Traffic Control Devices Revision 2, October 2014, that states in Section 28.04 Right-of-Way at Intersection

#### Support:

The Texas Transportation Code, Section 545.151 (see Section 1A.11) establishes the right-of-way rule at intersections having no regulatory traffic control signs such that the driver of a vehicle approaching an intersection must yield the right-of-way to any vehicle or pedestrian already in the intersection. When two vehicles approach an intersection from different streets or highways at approximately the same time, the right-of-way rule requires the driver of the vehicle on the left to yield the right-of-way to the vehicle on the right. The right-of-way can be modified at through streets or highways by placing YIELD (R1-2) signs (see Sections 2B.08 and 2B.09) or STOP (R1-1) signs (see Sections 2B.05 through 2B.07) on one or more approaches.

#### Guidance:

- 02 Engineering judgment should be used to establish intersection control. The following factors should be considered:
  - A. Vehicular, bicycle, and pedestrian traffic volumes on all approaches;

- B. Number and angle of approaches;
- C. Approach speeds;
- D. Sight distance available on each approach; and
- E. Reported crash experience.
- 03 YIELD or STOP signs should be used at an intersection if one or more of the following conditions exist:
- A. An intersection of a less important road with a main road where application of the normal right-of-way rule would not be expected to provide reasonable compliance with the law;
  - B. A street entering a designated through highway or street; and/or
  - C. An unsignalized intersection in a signalized area.
- 104 In addition, the use of YIELD or STOP signs should be considered at the intersection of two minor streets or local roads where the intersection has more than three approaches and where one or more of the following conditions exist:
  - A. The combined vehicular, bicycle, and pedestrian volume entering the intersection from all approaches averages more than 2,000 units per day;
  - B. The ability to see conflicting traffic on an approach is not sufficient to allow a road user to stop or yield in compliance with the normal right-of-way rule if such stopping or yielding is necessary;
  - C. Crash records indicate that five or more crashes that involve the failure to yield the right-of-way at the intersection under the normal right-of-way rule have been reported within a 3-year period, or that three or more such crashes have been reported within a 2-year period.
- 05 YIELD or STOP signs should not be used for speed control.

#### Support:

Of Section 2B.07 contains provisions regarding the application of multi-way STOP control at an intersection.

#### Guidance:

- Once the decision has been made to control an intersection, the decision regarding the appropriate roadway to control should be based on engineering judgment. In most cases, the roadway carrying the lowest volume of traffic should be controlled.
- 08 A YIELD or STOP sign should not be installed on the higher volume roadway unless justified by an engineering study.

#### Support:

- OP The following are considerations that might influence the decision regarding the appropriate roadway upon which to install a YIELD or STOP sign where two roadways with relatively equal volumes and/or characteristics intersect:
  - A. Controlling the direction that conflicts the most with established pedestrian crossing activity or school walking routes;
  - B. Controlling the direction that has obscured vision, dips, or bumps that already require drivers to use lower operating speeds; and
  - C. Controlling the direction that has the best sight distance from a controlled position to observe conflicting traffic.

#### Financial Impact:

Cost of possible engineering study

#### Recommendation:

As stated in 05 YIELD or STOP signs should not be used for speed control. Therefore, staff recommends placing the radar signs on Augusta Drive in six locations to determine average speed and number of vehicles. The data provided will assist in determining if an engineering study should be performed. The signs should be located a minimum of one week in each location.

FW: Read-Ahead for Special Meeting Tomorrow CC Agenda 6-16-15 Special Meeting Readahead.pdf

#### Gentlemen,

Yesterday, the City Council accepted the attached report extract from the appointed Roads and Streets Committee. The recommendations of the committee report essentially were to:

- Based on the traffic counts locally redesignate Champions Ci, Brookmeadow Dr, and Brookhollow Dr from "local" to "collector" status, joining Woodcreek Drive.
- Pave all collector roads with hot mix asphalt. This is a new surface material for Woodcreek. Frank, can you assess what the annual maintenance costs for those roads is likely to be? There is an estimate on p. 28 of 50-60K per year, much less than the street maintenance/construction rate of \$70K per year over the past 5 years.

The committee asserted that with an average of \$150,000 per year in combined road construction/maintenance costs, all City streets would either be reconstructed or resurfaced. As I review pages 45-49 of the attached, I see that some streets have been omitted: Overbrook Ct, Spalding Ci, and McGregor Ci. Frank, can you assess the additional impact of the omitted streets and determine whether there are any other missing elements of the plan?

Rick, can you confirm that the rates projected in pages 45-49 are a fair projection in 2015 constant dollars of costs for chip/seal, hot mix overlay, and reconstruction? Do you see evidence of sufficient drainage analysis and improvement to protect our investment in HMACP?

Gene, do you have any views as to whether debt ought o amortize the costs across the generation of users, or whether current users can reasonably expect to fund these improvements from our considerable reserves?

The next step is for Council to accept the recommended cost, schedule and performance projections of the draft TIP on pages 25–33 (missing the annualized cost of maintaining HMACP) and direct the transportation engineer to submit a final TIP.

Best.

# 20th Annual Texas Youth Advisory Commission Summit

(https://yacsummit.org/)

February 1-2, 2020 Kyle, Texas

## Welcome

Welcome to the website for the 20th Annual Texas Youth Advisory Commission (YAC)
Summit! The Texas Municipal League (TML) and the City of Kyle are excited for this twoday statewide event overflowing with life lessons, practical advice, team-building
exercises, and, of course, laughter!

## What is the YAC Summit?

The 20th Annual YAC Summit is a two-day statewide event sponsored by the Texas Municipal League and hosted by the City of Kyle. The 2020 Summit will be held on February 1-2, 2020, at the Hays CISD Performing Arts Center in Kyle. For those arriving early, a fun-filled Pie Social will take place on the evening of Friday, January 31. This year's theme is "Focus on Your Future" and will give attendees a chance to interact with professional speakers and peers in a fun and safe environment.

Agenda Item 8E

# Summit Purpose

The Youth Advisory Commission (YAC) Summit is an opportunity for cities, schools, and community youth groups to share their experiences of their programs and the positive impact that the programs have had locally. The summit is organized to promote a fun environment for youth and city leaders to learn from and work with each other. Adults and students will leave with a greater appreciation of their own programs and new ideas to move their group forward in coming years.

If your community doesn't have a YAC, you are invited to attend the Summit and learn more about how one can help your community. This event provides excellent networking opportunities with leaders from established YACs across the State.

# Why Should Our City Attend?

This is the chance for your YAC members to show off their successes from the past year, share their goals for the coming year, hear from inspirational speakers, and network with other YACs. The Summit is a great way to inspire your future leaders to transform their surroundings and perspective to achieve their goals and aspirations.

Thank you to all the 2020 YAC Summit sponsors (https://yacsummit.org/sponsors/)! We couldn't provide a high-quality event without this kind of investment from the local community!
