Council Meeting Date April 10, 2019 Reports

2019/2020 Roads Advisory Workgroup

Purpose:

To assemble a group of citizens under the umbrella of the Council's Infrastructure Responsibilities and with the full participation of City's Public Works Director and City Manager to do evaluation of immediate needs on our roads.

The group will meet on a regular basis to review replacement and repair needs for the City. Based on Council action at the December 2018 and February 2019 regular Council meetings, the group will begin by conducting a review of the roads after repairs conducted by Hays County and follow this process and develop a plan and timetable towards major repairs or replacement based on priorities approved by Council.

Facts:

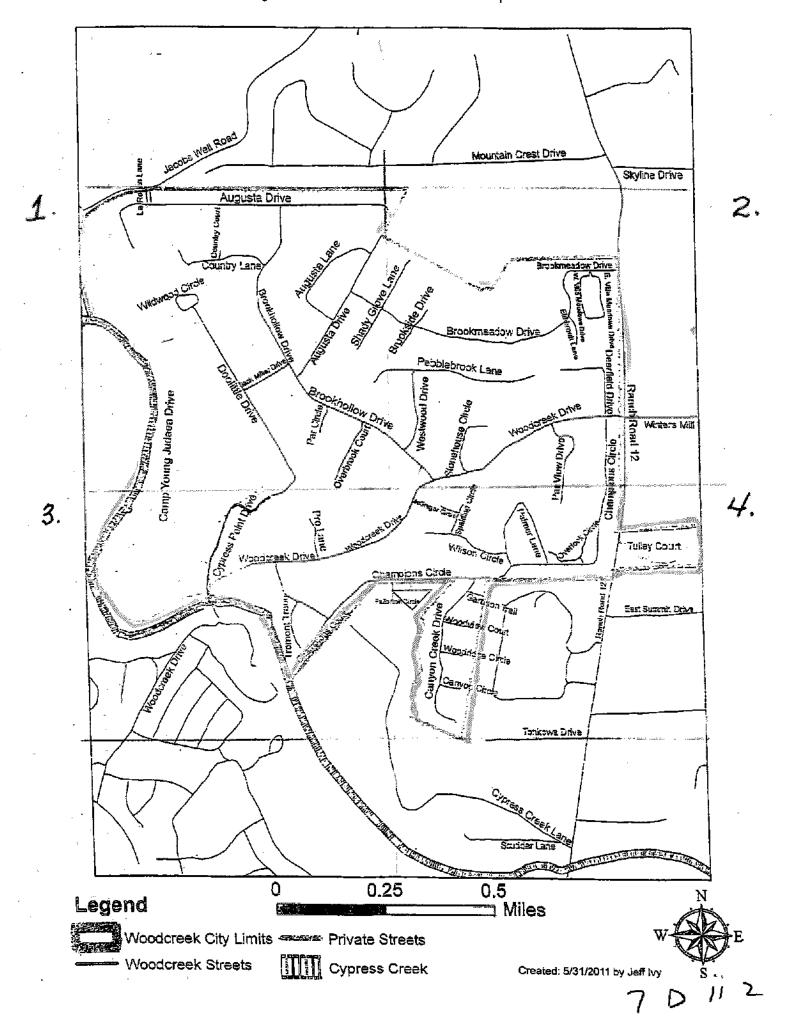

There are 33 roads that total 9.1 miles in the City of Woodcreek. The Brookhollow project rebuilt 1.0 mile, leaving 8.1 miles to be addressed. Conditions across the 8.1 miles vary with some roads having more significant issues or serious damage.

Immediate Tasks:

- Review Repairs Completed by Hays County
- Review Roads in Priority List with Public Works Director and City Manager. These are: Wildwood, Brookside, Jack Miller, Brookmeadow, Champions Circle, and Augusta Drive (it is understood that needs vary across these roads). As part of this review, identify:
 - Road conditions and extent of damage assessment of work needed to correct
 - Review utility issues and potential impact on road work
 - Sight deficiencies
 - Speeding information
 - Suitability of Traffic Calming Devices
 - Signage Correction

Approach:

- The workgroup will work with 2 Council Members (those assigned Infrastructure Responsibilities), the Public Works Director, and the City Manager.
- City has been divided into quadrants, and we are seeking representation of 2 citizens per quadrant. At this time we have commitment from 3 citizens (see attached map for quadrant detail).
- Will continue to seek citizen representation and plan for a meeting of the Group towards the end of April or early May.

- **Goal 1:** Evaluate existing and future needs for capital improvements and infrastructure throughout the City and develop schedule and budget to address needs.
 - Objective 1.1: Upgrade collector roads by 2022 and all roads by 2030.
 - **Strategy 1.1.1**: Improve existing asphalt road surfaces. Collector roads will be prioritized first (Woodcreek Drive, Brookhollow Drive, Brookmeadow Drive, Augusta Drive, and Champions Circle)
 - Objective 1.2: Address vehicular traffic concerns around volume, speed and noise; to increase safety to pedestrian and bicycle traffic; in order to preserve the essentially residential nature of Woodcreek.
 - Strategy 1.2.1: Look at ways to reduce cut-through traffic.
 - Strategy 1.2.2: Work with Camp Young Judaea to create new entrance for truck and bus access.
 - Objective 1.3: Incentivize investments by potential water service customers and or service providers to enhance long-term operations and maintenance.
 - Strategy 1.3.1: Encourage rainwater collection and water saving landscape techniques throughout the city to reduce water consumption. Council support by modifying existing ordinances and offering a reference of acceptable architectural solutions.
 - Strategy 1.3.2: Evaluate short- and long-term benefits of municipal ownership of water and sewer systems.
 - Objective 1.4: Review access to new dry utility (cable, telephone, etc.) providers to create competition among providers by January 2030.
 - Strategy 1.4.1: Contact potential providers for cable, internet, and telephone services to discuss extension of services. Evaluate new technologies that may benefit the city such as broadcast WIFI
 - Objective 1.5: Maintain high level of public safety services by conducting annual review of quality of service and potential improvements.
 - Strategy 1.5.1: Review relationships with Wimberley Fire Rescue, Hays County Precinct 3
 Constable's Office, and Hays County EMT/Ambulance services.
 - **Objective 1.6**: Monitor flood mitigation issues with biennial report.
 - **Strategy 1.6.1**: Seek state and federal funding to address flood prone areas, such as Hog Creek, and Cypress Point Pond.

Strategy 1.6.2: Increase partnership Cypress Creek Watershed Association

- **Goal 2:** Provide improved recreational opportunities by enhancing existing amenities and actively searching for new prospects to expand or add new park areas, trails, and other recreational facilities. Collaborate with Parks Board and assist in developing the parks plan.
 - Objective 2.1: Explore programs with Texas State or similar organizations for the study of exurban life, culture, and the sustainability of the environment. Look at opportunities to encourage and celebrate volunteerism.
 - Strategy 2.1.1: Create shared activities for citizens with Quicksand Golf Course and Camp Young Judaea
 - Objective 2.2: Monitor environmental concerns with bi-annual report.
 - Strategy 2.3.1: Create a Woodcreek Environmental Committee comprised of citizens by May 2019.
 - Strategy 2.3.2: Identify and protect natural springs and other natural water sources within City and ETJ. Meet with interested groups (Master Naturalists, etc.) and identify these.
- Goal 3: Ensure proper fiscal discipline and develop strategies to generate revenue to fund necessary capital projects.
 - Objective 3.1: Explore financial prospects with quarterly report.
 - **Strategy 3.1.1:** Research potential funding from grants, donations, estate bequests or private foundations.
 - Objective 3.2: Enhance operating capital to fund needed capital improvement projects.
 - Strategy 3.2.1: Expand tax base through annexation of existing ETJ.
 - **Strategy 3.2.2:** Inform citizens on the needs of the City and the correlation between the cost of capital improvements and funding sources.
- **Goal 4:** Review land use policies to ensure the success of Woodcreek by attracting potential residents and providing for future needs.
 - Objective 4.1: Develop a strategy for annexation of areas within the existing Woodcreek ETJ.
 - Strategy 4.1.1: Expand City Limits to include the current ETJ.
 - Strategy 4.1.2: Formulate strategies to encourage ETJ adoption.

- Objective 4.2: Encourage development of housing for senior living.
 - Strategy 4.2.1: Attract developer to construct senior-appropriate housing, such as patio homes, independent living, and/or assisted living.
- **Objective 4.3:** Improve and expand housing stock by encouraging new types of housing in appropriate locations by 2030.
 - Strategy 4.3.1: Allow high quality, environmentally sustainable single-family residential housing, enforced via masonry ordinance, with permeable cover limit and runoff impact assessment.
- Goal 5: Ensure the city's municipal government serves the needs of a growing city.
 - Objective 5.1: Monitor the growth rate of the City and prepare accordingly for any necessary legislative action.
 - Objective 5.2: Increase city outreach.
 - **Strategy 5.2.1:** Hold town hall events every quarter and ensure city council members attend
 - **Strategy 5.2.2:** Sponsor other events (Christmas, Halloween, 4th of July, Farmers Market, National Night Out, Coffee with the Mayor)
 - Strategy 5.2.3: Conduct straw polls and other informal surveys at events.
 - Strategy 5.2.4: Support the development of annual community events.
- Goal 6: Create a specific and compelling brand for Woodcreek and promote the community to potential residents.
 - Objective 6.1: Create a new city motto and logo by 2022.
 - Strategy 6.1.1: Explore resources to create a motto and logo with public input.
 - **Strategy 6.1.2**: Promote the community by enhancing communication among all available stakeholders.

Council Responsibilities Report

COMMUNICATIONS

The March 12 resignation of Councilmember Brizendine leaves in question the presentation of a social media policy for Council consideration. Further editing of the policy draft, following from discussions with Chrys Grummert at the March 6 meeting, necessarily falls outside the window required for consideration at the April 10 Council Meeting. Likely reconstitution of Communications leadership and structure means that the social media policy will not be presented no sooner than the May 8 Council Meeting.

Council Responsibilities Report

PARKS & RECREATION BOARD

The Parks & Recreation Board met March 20.

Board member Jane Little discussed progress toward beautification at Veterans' Memorial Plaza and the Woodcreek Drive entrance. She asked for volunteers to help with weeding and mulch application March 21 and 22. City Secretary Linda Land added that a volunteers' work day was planned for March 23 at Augusta Park.

The Board spent the bulk of its two-and-a-half hours on no less than 114 edits to the draft Parks & Recreation Master Plan. Although the Board completed the full draft, consensus was to take an additional Board meeting April 17 for review of the revised plan and to include photographs and map updates before submitting the draft plan for consideration and approval by Council as early as May 8.

Hay Trinity Groundwater Conservation District Report

BOARD MEETING March 12, Wimberley

Of note to Woodcreek, HTGCD discussed permitting to 2025, remarking that growth trends are unsustainable. Only voluntary water conservation has allowed pumping levels to remain similar to ten years ago. Continued special efforts, such as the Jacob's Well Groundwater Management Zone, will be required to address increasing demand.

HTGCD is supporting formation of the Southwest Travis County GCD, which borders on the north and includes 1,800 private irrigation wells already that will be grandfathered. The new GCD should help HTGCD address demand along the northern edge of the District that affects levels southward.

Camp Young Judaea updated the board on progress with its test well project to implement aquifer storage and recovery (ASR) on-site at the camp as a way to address its overpumping in recent years. Rainwater collection from existing structures will allow the camp to inject up to 3 million gallons of water annually into the Trinity Aquifer. Testing has shown that injection into the brackish, slow-moving Lower Trinity, will likely be required—at greater expense—because injection into the fast-moving Middle Trinity has limited benefit in the District. ASR technology has been implemented in California for decades, and is in operation now in San Antonio and Kerrville.

BOARD MEETING March 27, Dripping Springs

The board approved an additional groundwater request by La Ventana, which increased its annual allocation from 98 to 122 acre feet over three years. Transducers give HTGCD continuous monitoring in La Ventana, where St. Augustine grass is banned and every house must have a minimum 500-gallon rainwater harvesting system.

A Camp Young Judaea representative testified in support of its protest letter regarding a \$16,033.66 penalty for overpumping in 2018 of 3,206,732 gallons. After extended discussion of the need to use the "right water for the right purpose," meaning reuse and rainwater for irrigation and other non-potable use, the board noted the camp's ongoing cooperation pursuing an ASR system, and approved crediting the camp for its expenses installing monitoring and conservation equipment.

John Worrall shared a "heat map" the District will develop among new data visualizations to monitor high water use areas toward more timely and focused conservation efforts.

AGENDA ITEM COVER SHEET

Subject/Title:

Discussion and Possible Action for establishing a formalized annual review for City Staff/Quality and for the City Manager, by Council and Citizens, along with possible metrics for 2019.

Item Summary:

Cities generally establish metrics for annual reviews. A lightweight survey for both staff, City quality and the City Manager is a best practice and should be employed

Financial Impact:

N/A

Recommendation:

City of Woodcreek adopt the practice of a formalized annual review for both the City Manager and City Staff/Quality to be conducted no later than July of each year. That the Staff/Quality survey be distributed by someone who is not employed by the City, and that those citizen reviews be made public. That the City Manager review be conducted in Executive Session and those reviews shared among Council members prior to contract evaluation.

For 2019, I respectfully submit the attached as a starting place for review criteria.

AGENDA ITEM COVER SHEET

Subject/Title:

Discussion and Take Appropriate Action on Criteria, Structure, and Process for the Annual Evaluation, Compensation, and Employment Agreement of the City Manager.

Item Summary:

Council consensus during last year's belated July/August evaluation exercise was that better evaluation forms and metrics were needed to adequately provide the essential communication that is the heart of an employee annual review. As discussed with Mayor Scheel in January, this process begins in April with this agenda item toward May annual review and June final consideration of the City Manager employment agreement. To be clear, this item is to discuss on an institutional level what criteria, structure, and process this Council wishes to follow in the evaluation of any City Manager for Woodcreek. In doing so, Councilmembers are encouraged to contribute best practices and examples toward a consensus evaluation exercise. The specifics of the current City Manager's employment agreement need not necessarily be discussed until the May meeting, although this item does not preclude discussing such specifics, as Council wishes, including in Executive Session, as described on the agenda.

Financial Impact:
